

Questionnaire Survey

As part of the Travel Plan a baseline survey needs to be undertaken to understand how residents currently travel to and from destinations and facilities. We are asking residents to fill out our questionnaire to let us know how you currently travel. The first questionnaire will be uploaded soon so stay in touch for updates.

What is a Travel Plan?

Bellway Homes are committed to delivering a sustainable community in Kings Langley.

A Travel Plan is a package of measures and incentives designed to promote sustainable travel behaviours.

The aims of the Travel Plan are to:

- Increase awareness of the advantages and availability of sustainable / active modes of transport
- To promote health and fitness benefits of active travel to all users
- To introduce a package of physical and management measures that will facilitate travel by sustainable modes
- To reduce unnecessary use of the car for journeys to and from the site by residents

i-Transport is the Travel Plan Coordinator and we will be helping residents to make more sustainable travel choices.

Find out more

The Travel Plan website provides detailed travel information and provides access to various travel incentives and promotions that are available to you as residents:

Public Transport

Public transport information on bus and rail including maps, links, apps, and access to taster tickets.

Active Travel

Walking and cycling maps and information including Kings Langley, vouchers for cycle equipment purchase and useful travel apps.

Car Sharing

Around 2.5 million people share their commutes to work every year in the UK. This removes 1.25 million cars from roads and saves around 1.25 million tonnes of CO2 per year. Car sharing is a great way to reduce the amount of solo car trips on our roads, not only for work trips but all trips. Please visit liftshare.com to find out more!

Travel Voucher

Each household is entitled to a £50 travel voucher which can be used for either a bus or rail ticket or cycle equipment. This is a great opportunity to try new modes of transport to your favourite destinations. Please visit our website for information on how to redeem your voucher.

Get involved

We will soon be posting our first travel questionnaire to understand existing travel behaviour and barriers. By filling out the survey you will have a chance to win a £50 voucher.

Details will be added to the website soon!

As the Travel Plan establishes, we are keen to engage with residents through a Travel Plan Steering Group. Please get in touch if you would like to be part of that group.

Look out for upcoming events and travel initiatives. These will be advertised on the website, on the noticeboard on the ground floor and on any community social media pages.
